

The ARP ACTA

Aylsham Roman Project Newsletter

Vol 5 Issue 6 April 2021

Welcome to the April new sheet

Meeting Again!

There was great excitement on a Tuesday morning this month on the Kiln Field. After having had to stop meeting in September, we met in person for the first time since then. So good

to see that people actually have legs!! There was a great deal of chatter and not

much done, but the joy of meeting was terrific. We keep our fingers crossed that things will continue to improve and this time we can keep meeting.

Zoom Talk

We were delighted to be invited to give a talk to Caistor Roman Project and share our findings with them. We hope in the future to invite them to give us a talk, in person if possible, and to forge more links with them. It was good to see you all, thank you.

May Bank Holiday Weekend

Our stall will again be at Woodgate Nursery over the the Bank Holiday weekend, Saturday - Monday, from around

1100, weather permitting. Do come and support us, polo shirts and t-shirts will be on sale along side all our other goodies . Fill in the attached clothing order and bring with you, payment as well, please, so we can place an order. Come and pick up your Friend card, give a donation, or just stop by and say hello!

August Dig 2021

We are still waiting to confirm that we can go ahead and once done, we will be in touch with all who have renewed their Friend payment. Things will be different as we try and work our way out of this pandemic, but we continue to think positively.

Did you know?.....Did you know?.....Did you know?.....

Roman togas were whitened by rubbing pipe clay into them. This was done by those taking part in government elections. They were called candidati meaning "whitened men." We still use the word candidate today. Wonder how many of those standing this year realise what was happening 2000 years ago?

As we get more freedom, do take care of yourselves, vaccines mean we clear.

having both doesn't are in the

Hopefully see you soon.
