

## Tree planting

The Friends of ARP have donated money for a tree to be planted at Woodgate Nursery, in recognition of the Queen's Platinum Jubilee. A plaque will be added as well at a later date.

A copper beech will be planted on Mary's Beck where we had Trench 1 last year. Old maps that Peter has show trees on this field to the west. This one will be where we can see it and watch it grow over the years. Let's hope it eventually looks something like this.

The planting will take place on

**Wednesday 9<sup>th</sup> March at 1100.**

Do please join us if you can. Park on the Kiln Field and walk through to the lake where you will find us.

## March Newsletter

The March newsletter will give full details of **Aylsham Roman Experience 2022** in August. It will, hopefully, be all systems go for a full three weeks inviting all to take part.

For many of you, March is the month when your Friend card expires, so do make sure to renew if you want to take part in the

summer. Those of you who joined in August, please be aware that your card too will have expired and **must** be renewed at the same time as paying to participate in August.

## Clothing Orders

Attached to this email is also our Clothing Order. If you would like to order anything, please download, fill in and follow the details on how to pay. We do now have prices for 3XL and 4XL sizes, please email if you would like a copy of that price list.

**Did you know?....Did you know?....Did you know?....**

This motto of ancient Pompeii seems very appropriate for what is happening in the world at the moment.
