Vol 8 Issue 6 April 2024

It's April, but the weather is not being kind! A couple of our Tuesday sessions have been cancelled due to wind. Let's hope things change very soon.

### Advice Needed

Our red wooden cabin door, and possibly the surround, could do with being replaced, maybe with plastic. If anyone out there who could help us, please get in touch. We can organise and run a dig, but have no idea about doors!!

### Sheringham Talk

We had a great evening recently giving our presentation to the Sheringham History Society at The Museum in Sheringham. A lovely turn out, it was a pleasure to share what we have found with you all and we really appreciated the enthusiastic response. Do hope to see some of you in August.

### ARP Friends

Thank you to all who have renewed this year. We appreciate your continue support.

We do hope many more of you will be signing up again, or becoming new Friends. Email for payment details. We do appreciate your support.

As a Friend you are added to our full contact list, but also to our Friends only list. This means you receive all mail sent out, plus

- Early invites to events
- Reduced prices to some events
- Invites to special activities we run
- Opportunity to join any Zoom meetings we arrange
- Updates for the summer digs, especially this year
- All for just £10 a year

### Nursery Pop-up Stall

We've had two great Saturday mornings at the Nursery and hope to have more, weather permitting. If you've been to see us, thank you, if not, watch out for the email/FB post which will give details.

**Watch the Birdie 2024** is now up and running from 7 in the morning to 7 in the evening. Search for Sheila Denny YouTube and go to the LIVE link. Hatching could start in the next few days. Exciting!

**Did you know?.....Did you know?.....Did you know?.....**

Time Team programmes were a must watch when they were on and here are three recommendations from Peter to search for and get you in the mood for the summer!

Port and Stilton (Stilton)

Street of the Dead (Binchester)

The Trouble with Temples (Friar's Wash)

Ooh, sounds interesting! Think I'll look now.....
