

The ARP ACTA

Aylsham Roman Project Newsletter

Vol 8 Issue 7 May 2024

Welcome to the May news sheet.
A busy period ahead as everything
gathers pace towards the August Dig, but
there are still things happening before
we get there!

Woodgate Garden Show

Saturday and Sunday June 8th & 9th

This two day event is one not to be missed and always attracts many people. We are looking for second hand books to sell, if you need to free up some space to buy more books to read, please bring them along to the Nursery shop. Alternatively, come along to the field on **Friday 7th June from 0930** and bring them straight to us in the big marquee.

We're also running our tombola and on the look out for some good prizes. Please bring **by Wednesday 5th June** so we can get it prepared. We will be on the field on Tuesday mornings from 0930 and you can bring anything to us then too.

Can you help?

We also need help on the **Friday** to set up, from 0930 onwards, for a couple of hours. Plus, if you can help to man the stand sometime over the two days, we'd like to hear from you as well.

Please email and let us know, all help greatly appreciated.

Friend renewal and August

Another gentle reminder that for many of you your Friend renewal is due. Very many thanks to all who have renewed. This income is much appreciated. Signing up means you continue to receive all our information and can take part in August. You will all be able to visit during the dig period to see how we are getting on. A reminder that we will be on the field for three weeks, Monday to Friday, weeks beginning 5th, 12th and 19th August.

Aylsham Community Fayre

This is taking place in Aylsham Town Hall, Saturday June 1st, 9am-1pm. Over 20 voluntary organisations will be there, there's also a D-Day commemorative morning tea and the Salvation Army Band from 10am. Come and see us, sign as a Friend, buy some goodies, have a chat and a cuppa. Would be really good to see many you there.

Woodgate Pop-Up Stall

We've spent two lovely Saturday mornings recently at the Nursery and had a great time seeing many of you. We hope to do this again, weather permitting, over the Bank Holiday weekend. Will let you know nearer the date!

See you all soon!
