Vol 8 Issue 8 June 2024

Welcome to the final newsletter for this year. It's been a busy few weeks and there are busy weeks ahead too!

### Two busy weekends

Saturday 1<sup>st</sup> June saw us at the Town Hall for the Aylsham Community Fayre. It was so good to be able to talk about

what we do and share our enthusiasm with local people and those on holiday here or visiting family. Thank you all for stopping by and talking to us. And thanks to Cheryl Bould for organising.

The following weekend saw us at the Woodgate Garden Show. A great weekend, weather could have been better on the Saturday but Sunday saw more people. Thank you so much to everyone who helped over the weekend, everyone who came and saw us, bought books, had a go on the tombola, signed up as a Friend, everyone who donated prizes, everyone who gave books. You all added to two brilliant days once more at the Woodgate Garden Show.

### August on the Field

After our successful Festival of Archaeology last year, we are looking forward to discovering more about what is happening on the Kiln Field. Dates reminder, **Monday to Friday w/b 5<sup>th</sup>, 12<sup>th</sup> and 19<sup>th</sup> August, 1000-1500**. Many thanks to all of you who have registered as Friends. Further details about the three weeks will be emailed after our meetings with Britannia Archaeology. If you have not yet renewed/become a new Friend, *please email by the end of this month to make sure you receive these details too.*

We will, as always, welcome visitors during those weeks. If you or your friends feel like joining in with the sieving for a day, you can. It's still just £10 for adults, children under 16 free. Sieving is great using our large sieves, there's plenty of room for a group to work round them, whatever the age! And there will be plenty for everyone this year as the trench being opened up is large! You never know what you might find, pottery, CBM, coins, worked flint. We have equipment you can borrow, but **please bring gloves with you.**

*Here's to a successful summer, we can't wait to get started, do hope to see many of you during the three weeks.*
