

The ARP ACTA

Aylsham Roman Project Newsletter

Vol 9 Issue 4 February 2025

*At last some sun and a bit of warmth!
Fingers crossed for more of the same.*

Marquee Clearance

We have finally been able to meet on a Tuesday morning when it was not raining and blowing hard!

Our poor marquee that became shredded during the storm a couple of months ago has been cleared away, mostly into the bin as there were many bent poles and a completely shredded canopy.

We have the promise of a second hand marquee so hopefully we will be able to get this up soon.

August 2025 Dig

Some of you are already asking about whether we will be digging in August. We are in the process of discussing this with Britannia Archaeology and hope to be able to update you very soon.

ARP Friends

In the meantime, we do hope those of you who are Friends will renew this year. We appreciate your continued support.

The cost is still just £10. If you would like to become a Friend, please email for ways of paying.

Tombola

It's a way off yet, but we hope to run our tombola again this year during May/June. There will be no Garden Show on the field as it is still recovering from last year's dig, but we will be in the Nursery car park during May bank holidays and into June if we still have any prizes left!

We have appreciated prizes that have been donated in previous years and do hope some of you will be able to support us again this year. Please start gathering them together and later on in the year, we'll ask you to bring them to the field.

And finally.....

*How did the Romans cut their hair?
With a pair of Caesars!*
