

The ARP ACTA

Aylsham Roman Project Newsletter

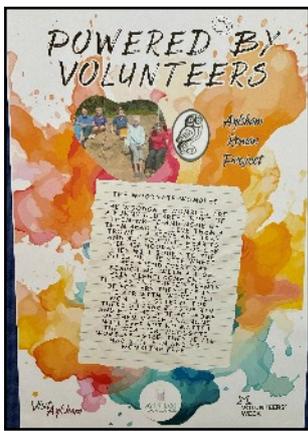

Vol 9 Issue 8 June 2025

Welcome to the last newsletter for the year until we start again in November. Thank you for all your support during the year and your continued support.

We gratefully appreciate it.

Famous Wombles!

A good morning at the Community Fayre, with The Wombles on proud display on this poster!

We spoke to many people, signed up one new friend and gave out flyers to others - do hope they join us too. Good to see some of you too.

Blue tit nest

Several of you followed the nesting this year of two blue tits. Nine eggs were laid and all safely hatched. The final one was very undecided after the rest had gone, but finally gave it a go and flew straight in to the trees.

A new box has been bought and put up as for the previous years the female has pecked away in a corner, making quite a dent and exposing one of the nails that kept it together!

Fingers crossed they like the new one.

Photo Comment

Some of you may remember this photo from an earlier newsletter, asking for comments. Couldn't resist sharing this from ARP Friend Rosie.

Sunday June 15th at Woodgate Nursery

Do come along and see us, from 1000-1400. An opportunity to renew as a Friend and pay to participate this year plus a chance to buy some of our promotional items including clothing.

Vests, t-shirts and polo shirts will be on sale too.

There will be music at Purdy's cafe as well, with the return of **Backtracking** from 1130am-1pm and again at 2pm-3.30pm. Weather looks good too!

Dont miss it !

A shadow of his former self
Seems like a good place to finish
Enjoy the summer
